

**1**

**Who do you listen to about the environment?**

2

**In the future, will holidays in the sun be a thing of the past?**

3

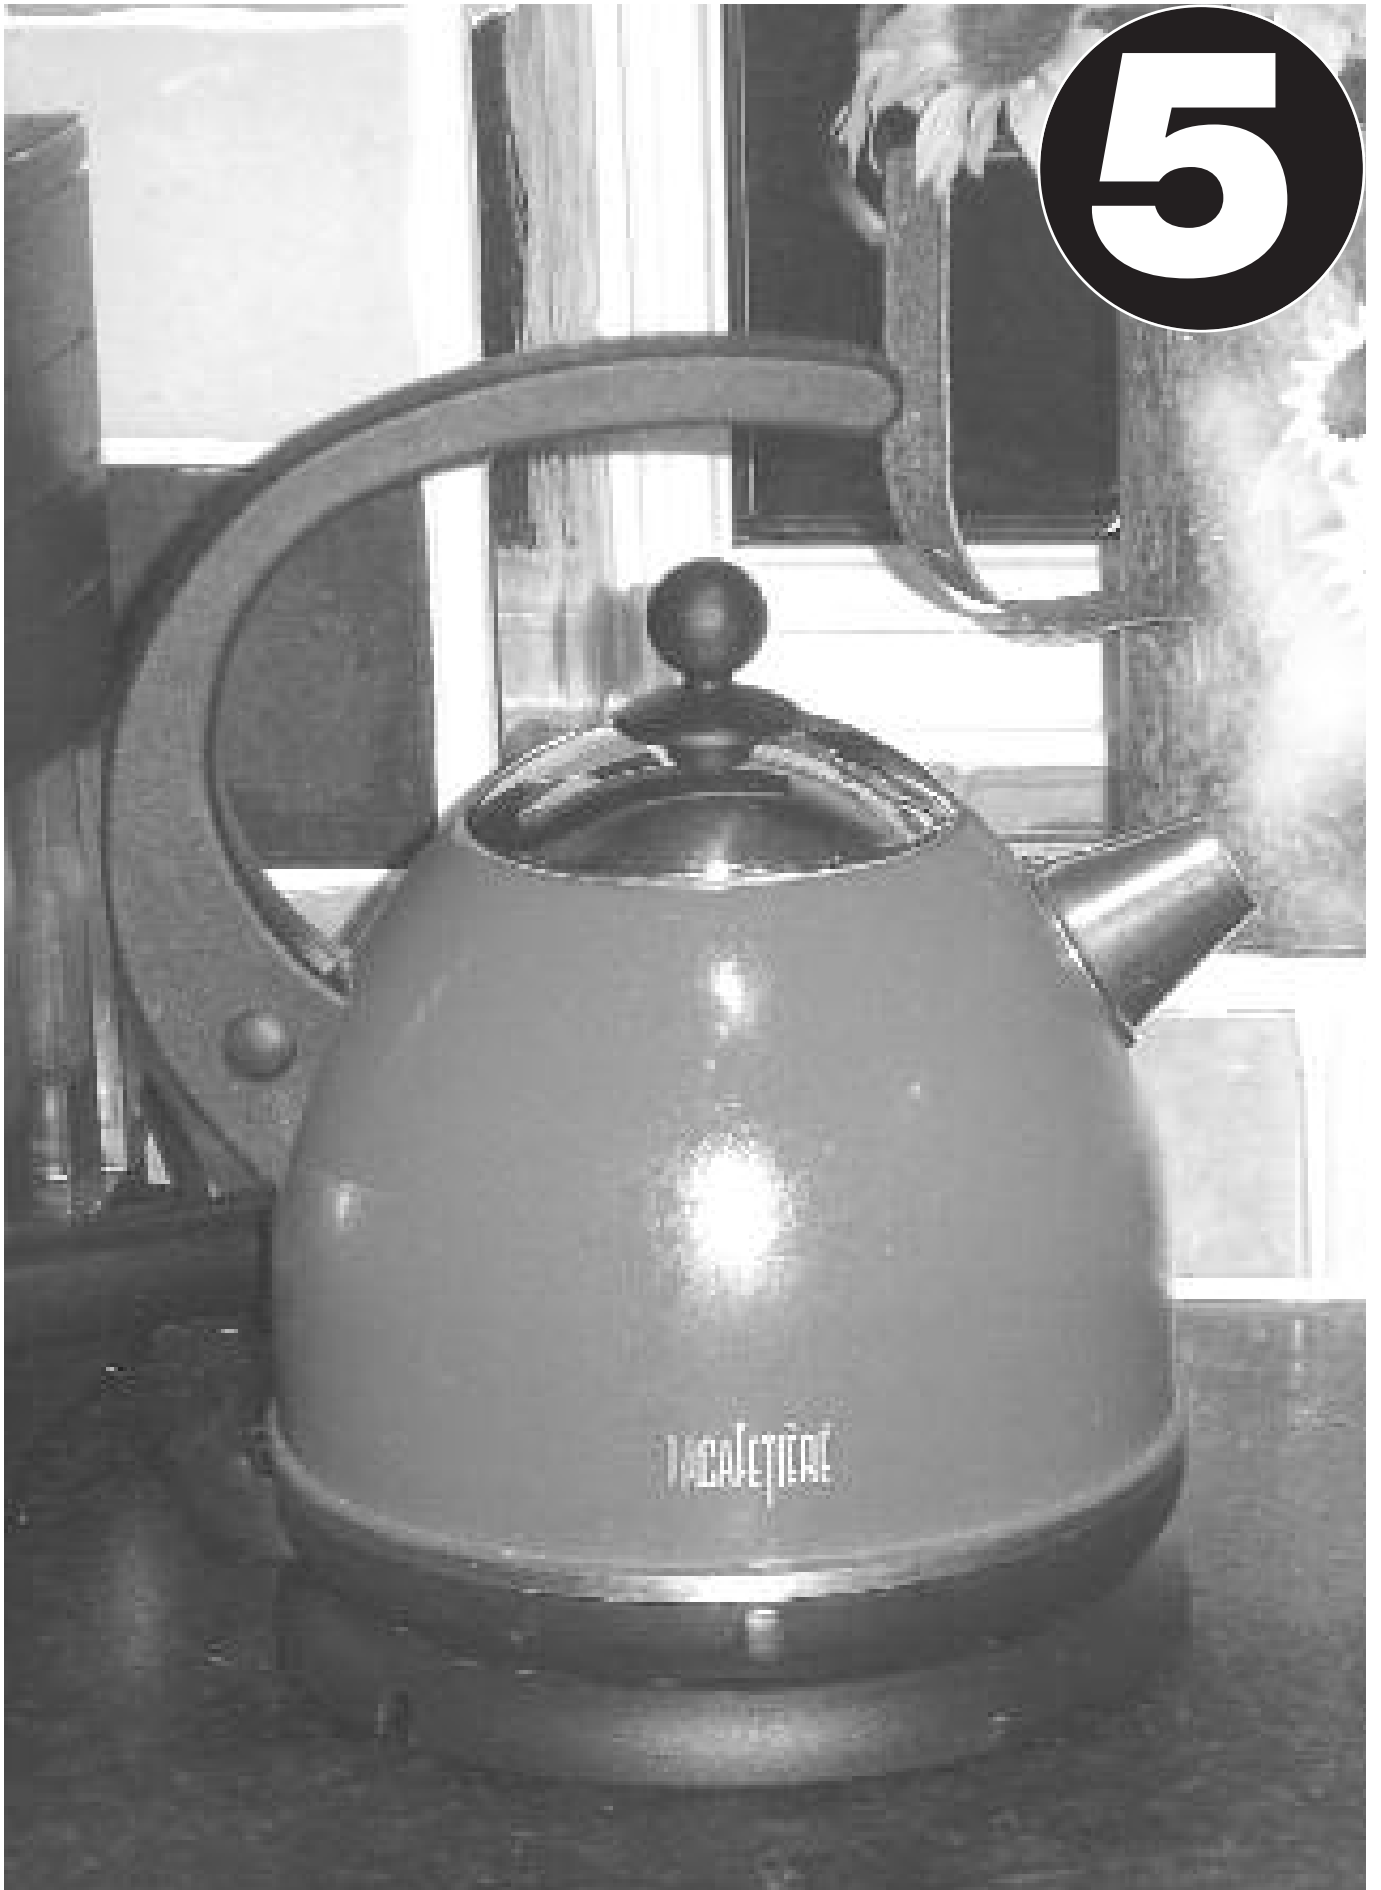

**Should we pedal faster to stop the climate getting hotter?**

4

**How can we build a future that people will be able to enjoy?**

5

**Does changing our own behaviour change our impact on the environment?**

**Will people in the future criticise us for what we are doing to the environment today?**
